

About Lutheran Care

Empowering communities to thrive across South Australia & the Northern Territory.

For more than 50 years, Lutheran Care has been a trusted supporter and advocate for vulnerable people. From early intervention programs to frontline crisis relief, we work together with all people from all walks of life to provide dignity, build skills and grow connections for a brighter future.

Opportunities for schools

Ways your school can get involved

Campaigns

12 Days of Giving encourages students to learn about the joy of giving and helping others at Christmas time.

12 DAYS OF GIVING

The 12-day challenge is like a 'reverse' Advent calendar, with all gifts benefiting struggling South Aussies. Sign up your school today!

Wear Your Winter Woollies encourages students & staff to come to school in their favourite winter clothing items and donate a gold coin, long-life pantry or hygiene item, or some clothing, for someone in need.

Donation drive

Encourage students and families in your school community to donate long-life food, hygiene items, or preloved clothing to share with families or individuals in crisis through our Emergency Relief program.

Volunteering/ Work experience

Lutheran Care welcomes volunteers from local schools who would like to find out more about our work, gain skills and give back to their community.

If you'd like to send a class or small group of students (or staff) to volunteer with one of our programs for a day or up to a week, get in touch! Duties may include assisting behind the scenes at our Blair Athol Op Shop Donation Distribution Centre, helping out at Lutheran Care's Op Shops or Thrift Stores, restocking our Emergency Relief pantry or packing emergency food hampers for people in need.

Individual students interested in gaining valuable retail and customer service skills and experience are welcome to get in touch regarding volunteering at our Op Shops or Thrift Stores on weekends or during the school holidays. It looks great on your CV and can be a stepping stone to paid employment!

We also welcome enquiries for work experience or internship placements from high school students, and university students involved in courses such as social work. Contact our Learning & Development team on careers@lutherancare.org.au

Host a speaker

Invite one of our Lutheran Care team to come to your school as a guest speaker.

We can share with your students about the work we do in the community, or information about a specific program that aligns with your learning programs.

Our team includes experts in homelessness, counselling and mental health, food security, parenting and families, careers and volunteering, philanthropy and fundraising, and more. To get in touch to explore options, please email communications@lutherancare.org.au

Charity of choice

If your school or Student Representative Council is seeking a charity to work with, consider Lutheran Care.

We welcome all schools—Lutheran, other faith-based, and public schools—to support our Lent, Winter, or Christmas Appeals, or to organise a fundraiser or donation drive at a time that works best for your school. We can support and promote your great work. Contact us at communications@lutherancare.org.au
